Genre: Rock / Metal / Death Metal / Crustcore

Crust infested blisteringly bone crunching HM-2 Death Metal from the Lowlands!

Former members of Collision, Caulterize, Inhume, The Guilt Parade, Mangled and Legion of the Damned reunited in 2016. All from well-known acts from the North Limburg region, they found each other in their "old love doesn't rust" for crust infested old school Death Metal!

Raging buzzsaw guitars and raunchy vocals are spat out at a rapid pace, mixed with a grooving rhythm section for maximum impact. Defy the Curse is suffocating in its grooves and rousing and extremely headbangable at its fastest.

- Artwork by Rafal Wechterowicz from Too Many Skulls (Slayer, Ghost, Kreator)
